THE MAKING OF AN ADVENTURE

A remarkable concept deserves a remarkable venue. The creation of a Tasmanian theme-park experience, coupled with the desire to showcase our island's finest food and wine, required a distinctly Tasmanian home – the Penny Royal.

Originally built with convict bricks dating back to the 1820's, the Penny Royal has an extensive history.

In the late 1970's and early 1980's the Penny Royal was a popular tourist attraction, but by the early 2000's interest had waned, the doors closed, and for almost a decade the site languished.

In 2014 Josef Chromy OAM and the JAC Group developed the derelict Penny Royal into a thriving food, wine and adventure precinct to benefit Launceston's tourism industry.

The two-year long redevelopment opened its doors in March 2016 and will continue to welcome locals and tourists alike for many years to come.

"I came here 67 years ago with nothing but hope and ambition."
JOSEF CHROMY OAM
