ADD UNFORGETTABLE ADVENTURE TO YOUR WEDDING DAY

Welcome

Planning your wedding doesn't need to be stressful and, most importantly, it shouldn't be. Although there are a lot of decisions to make and nerves to deal with, planning your special day should be almost as fun as the day itself.

We understand how important it is to ensure that your vision is understood and how precious your time can be. Our functions coordinator is available by appointment if you ever feel the need to touch base and refresh your ideas or to simply immerse yourself within the space to bounce around ideas and details.

PENNY ROYAL
LAUNCESTON

HOBART

A remarkable venue

A remarkable concept deserves a remarkable venue. The creation of a Tasmanian theme-park experience, coupled with the desire to showcase our island's finest food and wine, required a distinctly Tasmanian home – the Penny Royal.

Originally built with convict bricks dating back to the 1820's, the Penny Royal has an extensive history.

In the late 1970's and early 1980's the Penny Royal was a popular tourist attraction, but by the early 2000's interest had waned, the doors closed, and for almost a decade the site languished.

In 2014 Josef Chromy OAM and the JAC Group developed the derelict Penny Royal into a thriving food, wine and adventure precinct to benefit Launceston's tourism industry.

The two-year long redevelopment opened its doors in March 2016 and will continue to welcome locals and tourists alike for many years to come.
